Weather Bulletin.

The past week has been somewhat cool with considerable partly cloudy weather. Some showers occurred in the southern and southwestern parts of territory, the heaviest reported being at Alma in western Socorro county where the total rainfall for the week was 1.06 inches. Las Cruces was next in amount with .65 of an inch. Stations report no rain dur-

ing the week. Harvesting progressed rapidly and is nearly completed in most

The frosts that occurred in the 22nd and 23d did but little damage as they were light in most places and where heavy the crops were so far advanced as to be
